Dear Mr. Hooper:

Dear Ladies and Gentlemen of the SFCU Branch Office, Kleber Kaserne, Kaiserslautern:

We are hereby drawing your attention to the fact that we have strictly prohibited, legally binding, both Mr. von Streicher as well as the law firm W. aus Wiesbaden from allowing the SFCU bank to send documents/data of our client to the law firm W. aus Wiesbaden. In addition, the named law firm is strictly prohibited from receiving any such data. This also applies to the certificate of inheritance of Mrs. Name der Mandantin.

In the event of a breach, we will take criminal and civil legal action against the SFCU Bank as well as against the parties mentioned in the paragraph above.

The reason for this is that we will be initiating criminal proceedings against Mr. von Streicher and the above-mentioned law firm for falsification of documents, coercion, extortion, ... and violation of data protection laws, in particular the GDPR.

Therefore, it is in no way acceptable to me that my data, including the certificate of inheritance, will be sent to and/or handled by any one of the aforementioned defendants. All of the aforementioned were informed and expressly prohibited in March 2020.

We therefore ask you to observe the above without exception and to inform the SFCU Board of Directors located at the Headquarters in the United States of this notification and for taking further action.
